Volume IX 1981
Charlton, Mass.

Dedication

As the Graduating Class, we would like to dedicate this our 1981 "Minuteman Memories" to Miss Kathy Whitney, our class advisor.

Miss Whitney is one of our Remedial Reading teachers. In addition she is the Senior Class advisor and has followed the class of "81" since our freshman year. She has worked very diligently for us. Many extra hours were given by Miss Whitney for our benefit.

Miss Whitney has become a great friend to the entire class and deserves many great thanks. Her support and guidance in our activities has been a key to our success. Once again we would like to express our sincere Thanks.

SUPERINTENDENT MESSAGE

Congratulations to the Class of 1981.

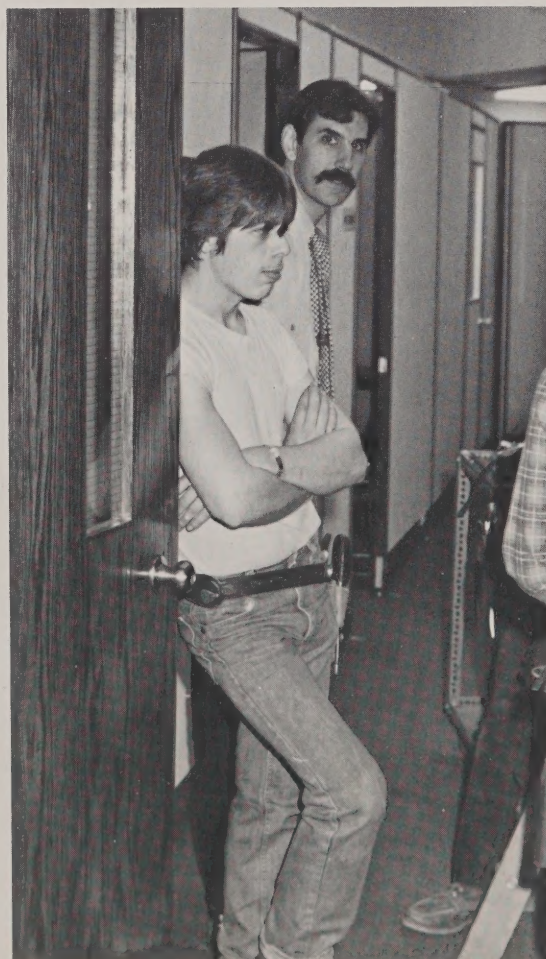

When you entered Bay Path as freshmen, you explored a number of areas before you selected your four years of concentrated study. The four years spent at Bay Path have been informative, productive and have enabled you to acquire the skill you will need for your entrance into the world of work. The skills and knowledge that you have acquired here at Bay Path again are only stepping stones to the business and employment world.

Use this knowledge and these skills to the highest degree and you cannot help but be successful. We, at Bay Path, are very proud of your accomplishments and as you travel in your vocation and require additional reinforcement or updating of skills, Bay Path stands ready to help you in its evening programs.

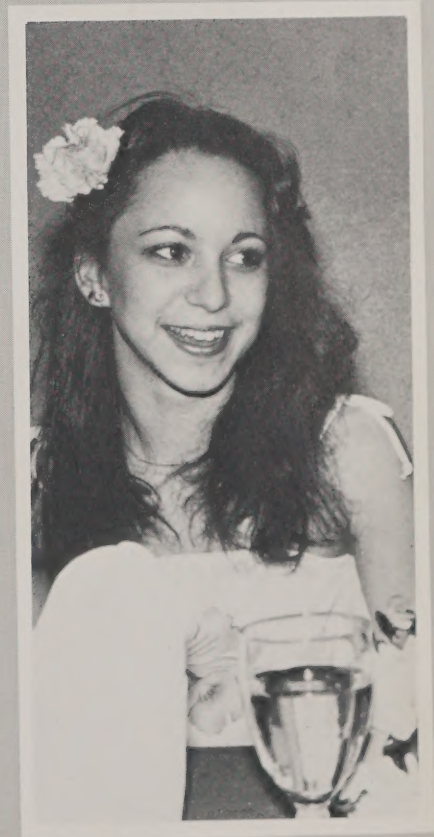

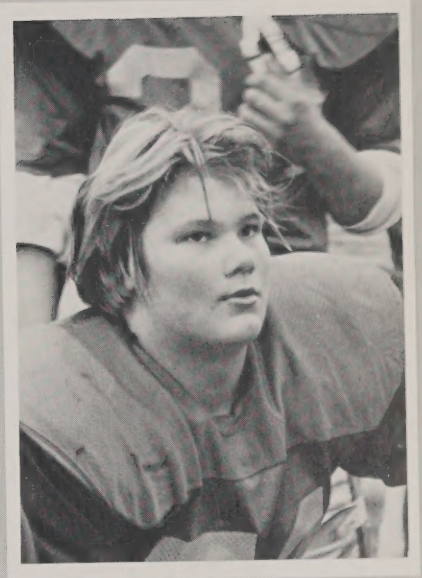

The School Committee, the Administration and Faculty extend to you, the Graduating Class Of 1981, best wishes and good fortune.

George L. Fowler
Superintendent-Director

The Journey of a Lifetime
Begins With a Single Step;
Intangible Moment
When One's Identity Is Materialized.

In the Beginning,
We Understand
Neither the Universe,
Nor the People,
Nor Ourselves,
Blindly, We Reach

We Push Forward Individually
to Prepare for the Time When
the Future Becomes the Past,
the Dream Becomes a Reality,
a Life Imagined Becomes
a Life Lived.

Eager to Realize a Togetherness That Must
be Left Forever Untouched
We Pause to Remember the Good Times Before
Movin' on to Enjoy, Enjoy, Enjoy.

IN MEMORY OF ANN MARIE McDONALD

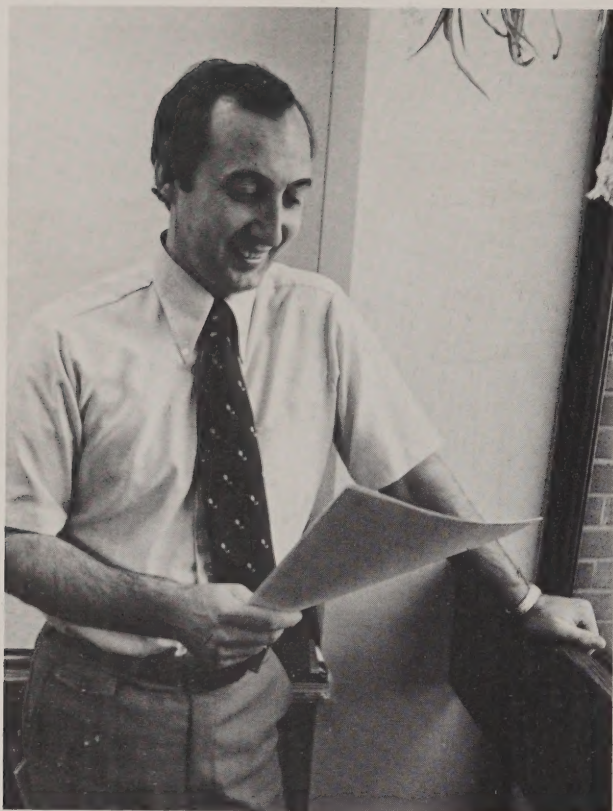

Although Ann was with us for a relatively short time, we were impressed by her cheerfulness and determination. When her illness kept her out of school she would come back with renewed hope, and diligently work to keep up with the class. Her courage and perserverance have served as an inspiration to those of us who knew her.

Ann we miss you,
